ABOUT US

Welcome! We're glad you're here!

Anarif CO is Leather Crafts making Export Company which is involved in practice of making leather into practical objects and artwork, using molding, dyeing, carving, stamping, and fabrication techniques.

The journey started 5 years back with small scale manufacturing which gradually started manufacturing for Private Label/Brands Operating in Pakistan.

Our company deals in diversified leather items like Leather Bags, Wallets, Belts, Jackets and Leather Articles. Our products are designed with utmost detail and sophistication. We trust that leather can bring out its magic only if it's crafted with magic! Our team of expert designers and crafters ensures that every product of **Anarif CO** is made with deep diligence and innovation. Purity and beauty are the two main aspects of our product manufacturing process. **All our products can be fully customized for private label.**

We're a team of experienced and ethical professionals who are committed to provide best quality products at the best prices. Contact us today for all your manufacturing needs.
